No lightbox?
Posted by joyce - 2012/11/20 12:59

De lightbox didn't work om my site:

Convallaria majalis 'Lelietje der Dalen' (Halfwas)

De plugin is published, but there is nog lightbox. What is wrong?

Hello,

Do you mean "ARI Sexy Lightbox" or "ARI Sexy Lightbox Lite" extension? Where we can see the problem?

Regards,
ARI Soft
