_____

Can someone tell me why the black border around the sexy-lightbox disappears when standing still?

You can take a look at:

Ok,

solved with:
DIV#SLB-Image
{
 overflow: hidden !important;
}
?

_____

Try to add the following CSS rule:

#SLB-Contenedor
{
 overflow: auto !important;
}

Sorry, our bad. It should be:

#SLB-Contenedor
{
 overflow: visible !important;
}
