
Ari sexy lightbox and ari slick gallery problem

Posted by smolny1 - 2013/03/19 15:02

I install slick galery, works perfect and then ari sexy lightbox, and pictures still opening in normal way, without lightbox.

Here is link with galery:

<http://www.patongsunsethotel.com/index.php/gallery>

With regards

Hello,

Is "System - ARI Sexy Lightbox" plugin installed, enabled and configured?

Regards,
ARI Soft
