
How to link from an Image?

Posted by mattcurtis11 - 2013/07/30 20:31

I can't figure out how to link a lightbox to an external page from an image instead of text, please help!

=====

Hello,

If you use "ARI Sexy Lightbox" module, read about it here (see "Link text" parameter).

If you use "System - ARI Sexy Lightbox Anywhere" plugin, read about it here.

Regards,
ARI Soft
