Sexy Lightbox not working. Only see {$emptyText}.

Link to see this is: http://holidaygolfsimulators.com/index.php/golf-courses/holiday-golf-featured-golf-courses

I tried to attached zip file with screenshots of the settings but you have got this set so low that it says my file is too big to upload.

Please help.

Hello,

Send screenshots of module settings page by email please so we can investigate the problem.

Regards,
ARI Soft
