
different thumb than big photos

Posted by MooDeeY - 2014/03/10 19:36

hello there.

just bought sexy light box

but i have thumbs different from big photos

is there any code to use it.

when press on thumb it open with another photo

Hello,

Do you use the module or the plugin?

Regrds,
ARI Soft

i install ARI Sexy Lightbox
then install System - ARI Sexy Lightbox Anywhere

appear to me 3 extension in extension manager

System - ARI Sexy Lightbox Anywhere
ARI Sexy Lightbox
System - ARI Extensions

i just want when press a thumb it popup with another photo

example

<http://desktoppub.about.com/library/99art/thumbnail.gif> = thumb

<http://www.gingerpenguin.com/wp-content/uploads/2013/07/eventduality-business-cards.jpg> = photo want to display
when press

Do you want to enter a path to a folder with thumbnails, show thumbnails on a page and when a user click by a

thumbnail shows image from another site into the lightbox?

Regards,
ARI Soft
