
Plugin title rows

Posted by alexzamp - 2010/07/24 13:50

Hi, I'm using the plugin and everything is working fine but title is not working with more than 3 rows, is it normal? If yes, would it be possible to have it on more than 3 rows.
Thank you in advance

Hello,

It's limitation of 'Sexy Lightbox' widget, we'll investigate possibility to increase this size and report about results soon.
