Please look at my page

[http://74.52.69.33/~canine/index.php?option=com\\_content&view=article&id=139&Itemid=230](http://74.52.69.33/~canine/index.php?option=com_content&view=article&id=139&Itemid=230)

and the code is

Why is the title not showing under the thumbnail?

Hello,

For example use the following code:

Image title

I put it in a table - lots more work but it works!

Thanks!
