
Module Suffix

Posted by elamedia - 2012/02/14 02:53

Hi there,

I dont see an option for the Module suffix.

Im i missing it or not added to the module.

Perfect little addon :)

Hello,

Thank you for your suggestion. "ARI Colorbox" v. 1.8.4 supports module suffix parameter.

Regards,
ARI Soft

Thanks for the update :)

I cant seem to download my module.

Your order is in pending status

Can you sort this please for me?

Regards

Try to clean browser's cache and open "Member Area" page again.
