
Hide image names under images

Posted by Olan - 2010/08/16 17:40

Hello,

I'm using Ari Colorbox with picasa images and it is great. I only want to remove the images names (xxx.jpg) under the thumbnails. Is that possible?

Thanks!

Hello,

Sorry for the delay. We have updated 'ARI Colorbox' module and 'System - ARI Colorbox Anywhere' plugin, now it provides new parameter 'Show title' which helps hide image titles. Updated version of the extension can be downloaded in 'Member Area' on our site.

Regards,
ARI Soft
