Translate \"Expand the Image\" ?

Posted by guyman95 - 2011/06/15 14:14

Hi,

As said in the subject, where could I translate the text : "Expand the Image" ?

Thanks in advance for your answer.

Guillaume

Hi, thanks for this very quick answer !

I think the best way is to delet the text "Expand the Image" (the icon is very understandable without text).

Thanks in advance.

Guillaume

Hi,

Thanks but I still haven't receive the mail containing the update... (I checked the junk mail to).

Could you send the update again ?

Thanks.
