Thumbnails for some galleries are black

Posted by bitwisefellows5 - 2011/10/01 12:22

_____

Hello,

I have integrated several "ARI Pretty Photo" galleries into my website. But when I click on some galleries, the thumbnails are just black with a white triangle in them.

Do you know how to fix them?

_____

Hello,

Could you provide a link to a page where we can see the problem and specify what browser do you use?

Regards,
ARI Soft

_____

Overlay thumbnails looks normal in Google Chrome for us:
