_____

Dear Sir,

I have a problem with the ARI slideshow.
The slideshow shows the title but not the description that is present
in the ".csv" file.

I am sending you two pictures that show the module and the setting I am using.

What could be the problem?

Sincerely http://www.ari-soft.com/images/fbfiles/images/for_ari_part_2.PNG http://www.ari-soft.com/images/fbfiles/files/photo.zip

Hello,

Could you send a link to a page where we can see the problem?
