CSV not working
Posted by erikdreyer - 2011/03/07 17:18
_____

Hello,

I would like to show a title description with arifancybox.csv file, but it doesn't work: http://www.dreamteam-production.de/leistungen#twoj_fragment1-6

csv: http://www.dreamteam-production.de/images/stories/portfolio/Studio/arifancybox.csv

 http://www.ari-soft.com/images/fbfiles/images/Ari_Fancybox_settingAA.jpg
What went wrong?

Thanks,
Erik

_____

Hello,

Your CSV file has incorrect format, find corrected file in attach:

 http://www.ari-soft.com/images/fbfiles/files/arifancybox-d522a5a5262c1449369b2c641e90985f.zip

Regards,
ARI Soft

_____

Hello,

great, now it works! But for the future: which programm Do you prefer to generate the CSV file? I did it with MS Exel.

Thanks,

==

_____

We prefer Open Office, it is free and available for different OS.
