signing a variable to Title
Posted by mrjbblaque - 2011/07/15 03:12
_____

This is part of the sample code I am using!!!

Is there a way to sign a variable to the title like
  title = ""

When I tried it, it just copied "" and printed it on the screen.

Hello,

Where provided code is located? You can try the next code:

echo '' . $row . '';

Regards,
ARI Soft
