Shaddow/Border

Posted by jambajamba - 2013/01/16 10:44

Hi

First of all, great extension.

Quick question from my website. Is there a way i can remove the border/shadow please?

Thanks

(ANSWER IS put the following code in template.css

{
-moz-box-shadow: none;
-webkit-box-shadow: none;
box-shadow: none;
}
.nivoSlider
