Expiration date
Posted by nicksimoneau - 2013/03/14 22:23

_____

I would like to know if is possible to select a specific date plage (start/end) time for specifics images ?

Like   papa.jpg   good from 12/12/2013 to 12/24/2013

_____

Hello,

The extension doesn't support the described ability, but it can be done as custom development.

Regards,
ARI Soft
