ARI Image slideshow in joomla article
Posted by prince25 - 2014/01/11 19:14

_____

Hi,
i have installed ARI Image slideshow.
i would know the plugin syntax in order to insert it in a Joomla article,.
I would insert for each article a set of different pictures.
thanks.

_____

Hello,

You can create several modules instances and them into article or it is possible to use "Modules Anywhere" plugin to override some module parameters. You can read about it here.

Regards,
ARI Soft
