## The popup open in the right side of page

Posted by segev - 2011/02/24 18:01

---

Hello to Ari team,

After installation when I click on a link the popup window open in the right side of the screen.

See screen shot.

Thank's for your help.

Hello,

Could you provide link to page where we can see this issue?

Regards,  
ARI Soft

Add the following CSS rule to site template CSS file:

```
#SLB-Wrapper{direction:ltr}
```

Regards,  
ARI Soft
