Not working with external page with flash

Posted by boerenooi - 2011/11/11 09:37
_____

I have an external page with a bookflip flash file on it. My lightbox is not working with this. Anything I can do to make it work?

_____

You use incorrect code. Use the next one:

Click here to see Edition 100 page 1 - 40

Regards,
ARI Soft
