lightbox on frontpage?
Posted by alexandar2304 - 2011/12/15 14:27
_____

Hi, i am new here and I have a problem with this plugins. I have joomla 1.7 and JCE editor
How I can insert popup on my frontpage.

Also, i am create article and category with someone name
and insert in html this:

but nothing is not happened on my site.

Please can you help me how I can settings this module on my frontpage like popup screen.

Tnx!

_____

Hello,

Provide a link to a page where you try to use provided code.

Regards,
ARI Soft
