## Style a pointer

Posted by jdale - 2012/01/22 01:51

---

Can a pointer be styled within a html "usemap" hotspot inside sexylightbox? My cursor remains an arrow even though I can hover and get a tooltip and click a hotspot to a link.

Hello,

Could you provide a link to a page where we can see the lightbox with "usemap"?

Regards,  
ARI Soft
