Lightbox image still

Posted by leonidas87 - 2013/02/05 11:50

_____

When I click a image, this zoom, but if i moving page up or down, the image moving to center page. How can i do for that image is still?

Thanks.
Sorry my language, my english is not very good.

_____

Hello,

The extension doesn't support ability to disable auto-centering.

Regards,
ARI Soft
