
Lightbox doesn't work in IE8

Posted by DavyC - 2010/08/02 13:51

Hi

The lightbox works fine in Safari, Firefox and IE7 but nothing happens when clicked in IE8.

The site is here at:

The testimonial photo is using the lightbox.

I'd be grateful for any advice.

Many thanks

Davy.

Hello,

We have updated the plugin. Download and re-install it, please. It should help resolve this issue.
