## help sexy lightbox in virtumart products!!

Posted by elenmele - 2010/10/26 11:07

---

hello there!!!

i tried everything,but i can not make myproducts appear with a lightbox!

i installed module and the plugin,i made these enabled,what should i do to make my products appear?

i havent got the flypage\_art\_sexy\_lightbox.tpl.php file!!!

Please somebody help meeeeeeeeeeeeeee!!!

:):)

Hello,

Sorry, but we can't help because you use not our product. Our product is ARI Sexy Lightbox.

Regards,  
ARI Soft

"ARI Sexy Lightbox Lite" doesn't provide this ability. We can help to done it with help ARI Sexy Lightbox, but it's commercial extension.
