Can\'t install it

Posted by 2p2kreation - 2011/07/21 21:38

_____

I just bought the module, and I try installing it on my joomla website. A error message appears saying it can't find the XML installer file. What shoud be done?

_____

Hello,

Unzip ariphotogallery_unzip_first.zip archive and read readme.txt file from the archive please.

Regards,
ARI Soft
