
Drag&Drop correlation question !!

Posted by dborci - 2008/11/06 20:05

I says "No answer selected, confirm or cancel", even if all answer are dorpped to the correct place !!!

In fact it works, but the users do not manage to use it. It is quiet difficult, to drag the answer to the question and when it is correct, the answer takes place slightly in a the lower-right position.

I send you an email as I got other problems !!!

Ivan
