
Submit buttons not always showing

Posted by victoriammt - 2015/08/04 12:08

Version: 3.8.3

My visitors are reporting that the "submit" button is not always visible.

I have recreated the problem, for example here:

<http://www.mymusictheory.com/images/sampleddata/button-not-showing.png>

If I refresh the page and then continue the quiz, the button then shows up:

<http://www.mymusictheory.com/images/sampleddata/same-page-now-showing.png>

Sometimes only half of the buttons show, like here:

<http://www.mymusictheory.com/images/sampleddata/partial-showing.png>

I have tried updating to 3.8.4 but I get an error message when I do so:

Warning

Copy failed.

JInstaller: :Install: Failed to copy file /home/mymusic/public_html/tmp/install_55c0abc8d63e2/languages/frontend/en-GB/en-GB.com_arquiz.ini to /home/mymusic/public_html/language/en-GB/en-GB.com_arquiz.ini

Please advise.

Hello,

Do you use "ARI Quiz Anywhere" plugin to load quizzes?

Regards,

ARI Soft

Yes I do and I did update that particular component, as I was given a list of individual items to install when the overall update failed.

Hello
After updating to the latest version, this bug has reappeared.....

<http://www.mymusictheory.com/for-students/grade-1/grade-1-course/121-20-practice-exam>

Question 3
