
How to prevent this message Name is not unique

Posted by niki - 2016/06/20 19:49

Hi,

In Ari Quiz 2 we use to have a lot of quizzes with the same names (one is with English questions the other one is with Spanish questions). In Ari Quiz 3 we transfer the DB but when i'm trying to make changes to the quizzes and try to save it i see this message: Name is not unique

How to fix this?

=====

Hello,

Open /administrator/components/com_ariquiz/models/forms/quiz/quiz.xml file and remove the following code:

Regards,
ARI Soft
