
Can the quiz this do for me?

Posted by quiztester - 2008/12/04 10:27

I search for a daily quiz:

- user get automaticaly one question per day
- answer the question in a time limit (30 sec.)
- Highscore
- different Quiz-Points

Can it do for me?

- user get automaticaly one question per day

Could you please describe more detailed? User should get new question in the same quiz per day?

- answer the question in a time limit (30 sec.)

Yes.

- Highscore

There are modules in ARI Quiz that display such information.

- different Quiz-Points

Yes if you mean that each question or quiz can have different points.
