
Custom BUtton

Posted by selimozbay - 2017/12/05 14:18

Hi.
Again and again thanks for great compenant!

I want to add custom button to question page..

That button will open a image on pop up...
But i do not have idea to do that :D

Could u help me?

Thanks...

Hello,

The plugin doesn't contain built-in feature which is described.

Regards,
ARI Soft
