
Registered Users

Posted by ctrlmedia - 2009/01/08 12:51

Hi I would like to change the text which appears at the bottom when an un registered user attempts to take the quiz.

Currently is says

"Only registered users can take this quiz"

Where can i find this line of text to edit it.

Thanks

Hello,

Please follow the steps:

1. Go to Components -> ARI Quiz -> Languages Frontend.
2. Select appropriate language or create new.
3. Go to Message tab.
4. Change "Only registered users can take this quiz" text.
5. Save language.
6. Make sure this language is selected as default.

Regards,
ARI Soft

What if you want to put some html in the text, like a link to the login/register page?
