## Selection parameter for article Author / Creator

Posted by 6degres - 2011/06/14 10:28

---

Hi,

Anyone know how to add the article author as a display parameter in the slider ?

```
{ $created_by }  
{ $author }
```

?

Thanks

Danny

Hello,

Do you want to show author name or login?

Hi,

Author name please

Thanks,  
Danny

Actually, the author alias would be better for me

Thanks  
Danny

Download and upgrade the module. New version provides ability to use { \$author\_name } and { \$author\_username } predefined variables.
