
Expand Shadow on left & right

Posted by thanh hailaw - 2014/12/22 10:24

Hello

I has re-size the image width as 950 (nature_01.jpg)and would like to expand the shadow full left and right (nature_01.jpg).

could you let me know how ?

many thanks http://www.ari-soft.com/images/fbfiles/images/nature_01.jpg

Hello,

Send a link to a page with the slider and an image where we can see what you want to achieve.

Regards,
