change the caption size

Posted by foerdi - 2015/04/06 10:45

Hello!

How can i change the size of the caption above the image. its the title of the module.

regards, foeri http://www.ari-soft.com/images/fbfiles/images/ARISlider_ICaption.JPG

Hello,

Modules titles and CSS properties for them are shown by site template.

Regards,
ARI Soft
