
Slider stay black with loading

Posted by claestom - 2016/05/11 12:39

<http://www.claes-distribution.be/index.php/nl/over-claes-distribution/geschiedenis>

Since update i don't can image's anymore.
any idea?

Greetz

Hello,

Check that you use the latest version of "ARI Sexy Lightbox" extension and set "Load jQuery method" parameter to "Local copy" value in module/plugins from "ARI Sexy Lightbox" package.

Regards,
ARI Soft
