I feel like an idiot, sorry to ask such a newbie question.  
Article is typed, pictures in their own folder  
Slider installed and configured

How do I put the slider in the article?

Thanks

Hello,

You can use core Joomla! plugin called 'Content - Load Module' or 'Content - ARI Image Slider' plugin which we sent by email.

Hello, I cannot make this work. I thought I had to write this text:

{gallery}

in the article to include the slideshow, but it didn't work. Please advise.

Hello,

Could you explain what doesn't work? Do you try to use 'Content - Load Module' plugin that load the module?

Hello, thank you for your answer.

I'm just writing {gallery} in the article. Do I have to use 'content-load module'? please explain.

thank you.
