
Remove Padding or Margin

Posted by chuckie - 2012/11/08 13:24

Hello,

I would like to remove about 100px of padding or margin above the Carousel so it shows higher on the page.

I looked in the style.css file but there was no margin code.

I highlighted the area I want to remove in the attached image.

Thanks, Chuck http://www.ari-soft.com/images/fbfiles/images/Picture_4-c3923b8c6a74aec843a0e94dc59dc9f4.png
