
carousel rotating at 100mph when clicking on image

Posted by rachelhawkes72 - 2013/04/18 08:39

If you look at my website www.orangespice.co.uk and click on an image in the carousel the rest of the images start rotating at a ridiculous speed - why is that and how can i stop it?

Hello,

Download and upgrade the module. After this clean browser's cache.

Regards,
ARI Soft
