
JFolder::files : le chemin n'est pas un répertoire

Posted by ROYERPATRICK - 2014/07/30 15:09

Hi,

the link is not a folder

?!?

<http://www.infokritik.com/images/7.jpg>

I tried to enter this link into the Slides Parameters,
but I definitely just receive this error message in red !

<http://www.infokritik.com/nos-actions/affichage>

Please help !

cheers, Patrick

Hello,

What value you use for "Image path" parameter?
