
images are not rotated on ie8

Posted by mizaz161 - 2011/10/23 09:26

hi,

it works fine in firefox, but in ie8, all the images just follow horizontal and vertical lines.

please let me know how to make it works.

thanks.

Hello,

Rotation doesn't work in IE 8 because of IE 8 browser doesn't support CSS 3.
