## thumbnail bckgrnd col

Posted by melaniebund - 2012/01/30 21:26

---

is there anyway to change the thumbnail background colour from white to black?  
thanks

Hello,

Use the next CSS rule:

```
.ari-slick-gallery .arislickgallery-item {  
  border-color: #000;  
}
```

Regards,  
ARI Soft
