
My flipbook has problem to display on IE9

Posted by xiaodong168 - 2011/06/29 17:16

Hi, API Support

I created a flipbook page. It's not showing on IE9. I checked other browsers, it only has problem with IE9. Please help.

http://www.ifgworld.com/index.php?option=com_content&view=article&id=24&Itemid=31#/page/1

Thank you

Hello,

Download and upgrade "ARI Flip Book" module please. It should help.

PS: If the problem still appears, clean browser's cache.

Regards,
ARI Soft
