How to link Flip Book to a menu

Posted by oninrv - 2012/02/12 13:19

Hi!
I need help. I can't figure out how to link Flip book to a menu.

here is the link:
http://gfi-sg.com/index.php/opportunity

Thank you.

Hello,

It is possible to load "ARI Flip Book" module into an article with help "Content - ARI Flip Book" plugin (it is included into extension's package) or with help "Content - Load Module" standard Joomla! plugin and link a menu item to created article.

Regards,
ARI Soft
