Can\'t get flip book plugin to display articles
Posted by waynefrance - 2012/06/19 16:45

_____

Hi

I have just downloaded the FlipBook module/plug-ins and followed the instructions but the 2 articles I have allocated to the category are nto appearing on the page. I have input the correct Module ID. Can you help please as I have to get this site finished tonight. Many thanks

_____

Hello,

Could you provide a link to a page where you try to use the module and a temporary access to your J! backend by email so we can investigate the problem?

Regards,
ARI Soft
