
Not work

Posted by mateuscunha - 2012/07/16 14:57

Hello, I installed the module and plug everything right, no more work.
I'm putting the module within an article and look what this contecendo.
Someone help me please
Tanks and sorry my english

Hello,

Check that "System - ARI Extensions" plugin is installed and enabled. If it doesn't help, provide a link to a page where we can see a problem and send screenshot(s) of module settings page by email.

Regards,
ARI Soft
