index of book issue and videos in flipbook

Posted by shreyasdhokte - 2012/07/19 13:14

Hi,

Can i see the videos in the flipbook and also is there any functionality for index page(table of content).

I want to see demos in other styles,designs also.

Thanks,
Shreyas

Hello,

The module doesn't provide ability to create ToC.

It is possible to use any HTML code in book pages including HTML code for embedding videos.

You can see the module in action here.
