Solution for images with bad color
Posted by Hjalte1983 - 2013/09/17 10:40
_____

So i can tell im no the only one having trouble with pdf with bad colors,
http://www.ari-soft.com/ARI-Docs-Viewer/41408-Images-with-bad-color.html

So you telling us its because of google docs, compatible problems...

But anyone got a solution for this?

regards.

_____

Hello,

You can load PDF documents into (use engine="iframe"), but it will work only if PDF viewer addon is installed in user's browser.

Regards,
ARI Soft
