Impossible to generate visualizzation document now
Posted by vpari - 2014/04/08 15:41

_____

Hello.
Why, written the code of Aridoc where I would like to have the visualizzation of a Power Point document, then I read in the webpage "Impossible to generate a visualizzation of the document now. Try later."?
Thank you.

_____

Hello,

It seems this is a problem on Google Docs side.

Regards,
ARI Soft
