
Module stack on loading...

Posted by hector - 2015/02/28 15:34

Hi, all

i' m using ARI Smart Book, on Joomla! 2.5.17.

My problem is that after i upload a pdf file, the module stack on loading...

You can check here

Any idea?

Hello,

jQuery library is loaded more than 4 times on your page. Load it only once, it helps to avoid a lot of javascript conflicts. For example it is possible to use "JS Plant" or "Easy jQuery" plugin to resolve this problem.

Regards,
ARI Soft
